LEADERS. TEAMS. RESULTS.

Dianne Rizzo, ACC

Leadership and Executive Coach

Speaker

Facilitator

Dianne Rizzo is a leadership and executive coach specializing in personal and organizational leadership development.

She has over 25 years of experience in the healthcare industry, both as a practicing clinician and as the leader of multidisciplinary teams. Her approach is influenced by principles from the study of positive psychology, mindfulness and resilience. She is skilled at designing and delivering coaching and consulting engagements that energize participants to take bold action.

An insightful, compassionate and careful listener, Dianne puts her clients at ease with humor and unconditional positive regard, yet challenges them to grow.

Her clients achieve success developing their teams, improving their communication skills and learning to navigate stress, change and conflict. With her guidance, they gain confidence, cultivate emotional intelligence and personal resilience while accomplishing their goals.

Dianne loves to see her clients take their work, leadership and life to the next level – and thrive.

“

The year I spent in a coaching relationship with Dianne was life changing and empowering, and contributed to a new level of freedom in my life. Dianne is a natural. Her wise and strategic approach was instrumental in the navigation of some "tricky" situations with greater clarity and simplicity. I highly recommend Dianne .
